

**Mahatma Gandhi Vidyamandir's  
Samajshree Prashantdada Hiray Arts, Science and Commerce College,  
Nampur. Tal. Baglan, Dist. Nashik**  
**Performance of the institution**

- **Value based education for youth:**

A promise Growth of globalization and population, rising inflation, Depreciation of money, poverty, innovative technology and un-employability related to the technological innovations make the 'world looks Flat'. However, time and place are still important as they shape the 'Inclusion Experience' which is not just an Idea'', but a base to construct the 'Society'. The need of Human being is a multidimensional process to enhance human capabilities, equal opportunities for social and economic participation, encouraging social interactions, strengthening the social ties, solidarity, integration and opening up the access to participate in all spheres of life. Institution is a part of society. Students containing diverse background and different villages are admitted in this institution. We have a demographic diversity as the students hail from different socio-economic background, come from diverse villages and have own language and costumes preferences. With respect to this uniqueness institution is trying to inculcate the value of togetherness among all the members of this institution by giving space to each and every stakeholder to participate, explore, enhance and attain their full potential, ultimately making society more and more equitable place. The main vision of the institution is 'Uplifting students from Rural to Global by imparting Quality Education'. Also mission of the institution is to provide high-tech educational facilities, to impart knowledge, to develop skills provide opportunities for excellence, to promote world class education in harmony with our students aspirations, to promote holistic development of the students and to inculcate sense of commitment among students towards its society. Accordingly, to achieve this vision as set by our college, every member is actively participating in own capacity.
